

DISTRICT EDUCATION OFFICE (HQ) SECONDARY, JAIPUR

TO WHOMSOEVER IT MAY CONCERN

This is to proudly acknowledge and appreciate the outstanding efforts of Daughters of Bharat and its founding team, Ms. Dhruvika Singh, Ms. Siya Gupta, and Mr. Harshvardhan Singh Shekhawat, for successfully organizing the Largest Women's Rights Campaign for Girls and Women by High School Students in Jaipur District.

The campaign, held on 20th August 2025, was conducted across Govt. Girls Senior Secondary School Malviya Nagar Sector 2, Jaipur East Govt. Girls Senior Secondary School Galav Nagar, Jawahar Nagar Girls School, and Brahampuri Kanwar Nagar Girls Senior Secondary School.

Through the distribution of booklets and detailed awareness sessions, more than 1000 girls were directly impacted. They gained critical knowledge about their legal rights, gender equality, and protections against exploitation and discrimination.

This remarkable campaign stands as the first and largest of its kind in Jaipur, showcasing how student-led initiatives can create lasting change at the grassroots level. On behalf of the Jaipur District Education Office, I wholeheartedly commend the Daughters of Bharat team for their visionary leadership and commendable contribution towards building an informed and empowered society.
